Westminster Project - Confirmation of Proposed Drilling Program

As per our announcement on 28th March 2011, a drilling contract has been entered into that schedules commencement of drilling activities at the Westminster Project on the 25th April 2011.

As part payment for the scheduled drilling activities the driller has agreed to take up to 300,000 shares in Truscott Mining Corporation Limited at a placement price of 23 cents per share.

The shares shall be issued in accordance with an agreed schedule and in accordance with 708A of the Corporations Act 2001 (Cth) (Act)
